

## Staff who wear face masks

 <p>Corona virus</p>	<p>Coronavirus can spread easily</p>
	<p>It can make people very poorly</p>
	<p>There are ways to keep you and your carers safe when they are with you</p>
	<p>The people who usually see you to help you with your health have to keep you and themselves safe too</p>
	<p>This means they may have to wear something different</p> <p>This could be gloves, aprons or masks too</p>

	<p>The way they look might make you feel worried</p>
	<p>Try not to worry, they are there to help you</p>
