Patient Safety

Priority One: Preparation and transition to the New National Patient Safety Framework

Q1 actions were completed.

Plan/Progress

<p>Q2: Patient safety syllabus Quality Committee approval of the Level 1 'Essential's for Patient Safety Training' to be mandatory for ALL staff. Determine who is required to complete level 2 training.</p> <p>PSPs Commitment to involving PSPs in patient safety at Quality Committee.</p> <p>SIs/QI To update Serious Incident Policy and produce Trust-wide Action Plan policy to include quality improvement for themed analysis actions as well as care groups.</p>	<ul style="list-style-type: none">• Training approved for level 1 for all staff by QC.• Training on I-learn is going through the Education governance process, with an estimated go live date of December.• Decision on who will complete level 2 training to be determined. Request Quality Committee to determine this is November 2022.• Patient Safety Partner Policy• Patient Safety Partner role description• Patient Safety Partner expenses policy <p>Transformation team support is in place to progress project plan which incorporates all elements above. Further update to be provided in Q3.</p> <ul style="list-style-type: none">• The Trust-wide action plan policy is still under consideration with the Chief Nurse. To bridge the gap, the Central Investigation Team are completing some thematic reviewed RCAs. Talks are underway to have more senior input into action plans following investigations. There has been inconsistent QI attendance to action plan meetings to date, however this will improve following recruitment.
