Dear [REDACTED]

### **Request for Information**

I write further to your request FOI ID 32346 under the Freedom of Information Act 2000 regarding:-

Patient safety specialist contact details

Your request is set out below:

The name, job title, email address and telephone number for the person(s) holding the role of Patient Safety Specialist with this NHS Trust - we are aware that this is not typically listed within their job title but assigned to them.

**Hannah Smith – Deputy Director of Quality and Safety**  
**Annie Oakley – Head of Patient Safety**

**In order to ensure that staff are able to fully meet their organisational public duties, personal email addresses for individuals are exempt from release under section 36 (conduct of public affairs) Freedom of Information Act 2000, and both the public interest test, and prejudice test enable the organisation to engage this exemption in this instance. However if you wish to contact any individual staff members you can do so via our Trust Headquarters on 01622 725000 or the address as below.**

I confirm that the information above/attached completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of  
The Information Governance Department
